

First-Year Budget

The monthly payment is only one part of the first-year cost.

Build the trip-ready budget before you decide what feels affordable.

Budget rule

If the monthly payment works only because you ignored the first-year costs, the trailer is probably too tight.

Educational guidance only. Always verify tow ratings, payload, trailer specifications, pricing, financing, warranty terms, safety requirements, and legal requirements with the appropriate vehicle manufacturer, trailer manufacturer, dealer, lender, insurer, and qualified professionals.
